

## **Shropshire Chamber**

### Description:

We at Shropshire Chamber of Commerce provide a wide range of quality support services to help local companies manage and develop your businesses. Help and advice is available from our teams of experts at every stage of business development, from the initial start-up and business-planning phase through to specific guidance in areas such as export, e-commerce, accreditation and diversification. There are currently over one thousand Shropshire companies taking advantage of the business enhancing services available through our Chamber membership. Providing inter-trading and networking opportunities through our successful Chamber Network Clubs and extensive programme of business enhancing events. Completing our extensive range of business-benefiting services, we house our very own suite of conference facilities which are available to hire at competitive prices.
