

Lawley

Description:

Telford is one of England's fastest growing urban centres. English Partnerships is working alongside the Borough of Telford & Wrekin to spearhead a sustainable development strategy for Lawley. This will deliver in excess of 3,300 new homes over 15 to 20 years. Lawley is English Partnerships biggest project to date in the Midlands — the site presents an unrivalled opportunity to create a new, vibrant and sustainable community in Telford.
